Saint Basil the Great
Patron of the Basilian Fathers

DEDICATION

We, the students of Saint Michael's College School, dedicate this book to the Men of Saint Michael's, the Basilian Fathers, who, for more than one hundred years, have taught here and elsewhere Goodness, Discipline, and Knowledge, not by words alone, but through every facet of their lives. Cheerfully, ably, and relentlessly they have pursued the arduous task of Christian education for the welfare of the whole community.

Though ranked among the finest educationalists in the country, our teachers—the Basilian Fathers—cannot face the task alone. They need the help of good fathers and mothers in the home—that first and most important of all schools; they need the constant prayers and the generous aid of their alumni and other benefactors. But above all, they need a serious-minded student body that both now and in the years to come will be the living proof that Saint Michael's College School deservedly ranks high with both God and man.

Humbly, then, do we dedicate the Eighth Volume of THE TOWER to our teachers—the Basilian Fathers of Saint Michael's College School.

THE SACRED HEART PLEADING

Hear the Heart of Jesus pleading:

"Come and sweetly rest with Me;

With a peace of joy exceeding,

Meek and humble ever be;

In My Heart serene and holy

All your selfish cares resign."

Dearest Jesus meek and lowly,

Make, oh, make our hearts like Thine.

God's Mother; our Mother,
Queen of Heaven, our Queen.
She guided; She encouraged; She smiled.
We thank Her, and render a living homage of our love.

FATHER H. BASIL REGAN, C. S. B.
PRINCIPAL AND SUPERIOR
of
SAINT MICHAEL'S COLLEGE SCHOOL

My Dear Students:

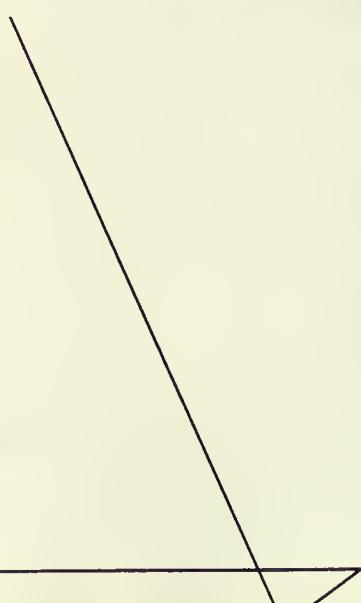

You, as students, have been a centre of interest to the whole Western world during the past year, and though you may not have been aware of it, writers and educators everywhere have been talking about you. Suddenly and dramatically, men decided that your education was not as good as Soviet education. They based their decision on the technological progress that Russia had made in forty short years, outstripping the Community of Democratic Nations.

Some of the critical things said about your education have been true. But many of them have arisen from a trembling and almost delirious admiration for technological progress. To evaluate all their comments on your education and to judge prudently and wisely how you will continue that education, you should listen to the words of Pope Pius XII which were written in 1953. "Technology," he tells us, "has brought man's domination of the material world to a peak of perfection never known before. The search for and discovery of the forces of nature, which technology effectuates, is at once a search for and discovery of the greatness, of the wisdom, and of the harmony of God."

But he goes on to say that this technology, despite its splendour and fruitfulness, has become "a grave spiritual danger." It has produced the "technological spirit" which sees mechanical production as better than "all other forms of human activity and the perfection of earthly culture and happiness to be found in it."

Perhaps Russian students have acquired more of this "technological spirit" than you have received at Saint Michael's. If they have, do not envy them! For, in the words of the Holy Father, by acquiring it they have been "shut up as in a prison—a prison which is vast indeed, but nevertheless circumscribed, and so, insupportable to the human spirit. Their glance, far from reaching out over infinite reality as they thought (for reality does not consist only of matter), will feel chafed by the barriers of matter. And they will suffer the deep anguish of contemporary man, made blind for having wilfully surrounded himself with darkness."

Our hope here at Saint Michael's is that you will acquire the power not of "limiting your gaze to the confines of the created world" but of raising it to the Creator, the beginning, the harmony and the last end of all existent things."

Father J. J. Crowley, C.S.B.
First Councillor, Religion and Chemistry.

Father P. J. Gorman, C.S.B.
Second Councillor, Religion, English and
Director of Public Speaking.

A Prayer For Priests

Keep them, we pray Thee,
dearest Lord,

Keep them, for they are
Thine—

Thy priests whose lives burn
out before

Thy consecrated shrine.

Keep them, for they are in the world,
Though from the world apart;
When earthly pleasures tempt, allure,—
Shelter them in Thy heart.

Keep them, and comfort them in hours
Of loneliness and pain
When all their life of sacrifice
For souls seems but in vain.

Keep them, and O remember,
Lord,
They have no one but Thee,
Yet they have only human
hearts,
With human frailty.

Keep them as spotless as the
Host,—
That daily they caress—
Their every thought and word
and deed,
Deign, dearest Lord, to
bless.

Selected.

Father D. W. Bauer, C.S.B.
Assistant Principal, Religion and Director
of Drama.

Father T. G. Mallon, C.S.B.
Treasurer and Chaplain to the Quarterback
Club.

Father M. F. Whelan, C.S.B.
Religion, Mathematics, and Director of
Publications.

Blessed are those who are called to cooperate with Him, twice blessed those who heed the call and generously consecrate their lives to Him, laboring twenty, forty, sixty years in His service.

Father A. J. O'Leary, C.S.B.
Religion, Latin.

It is an earthly task made up of hardship and self-sacrifice, but a heavenly reward is promised—one tear thou givest, one hundred blessings thou receivest. What magic! 'Tis the magic of love—of love proven by actions.

It is the Basilian's ideal to imitate Our Divine Lord in an unending series of actions out of love for Him and for the youth confided to his care. He treads the path to heaven, and lays down his weary head nor folds not his wrinkled hands till there is yet a spark of life that can help a needy fellow-runner.

We also, through charity and self-sacrifice, can do most for God, most for our fellow-creatures, and most for ourselves.

"Go break to the needy
Sweet charity's bread.
For giving is living
The angel said.

Oh no! said the angel!
With yourself be true.
Just give till the Lord
Stops giving you."

"But must I give again and again
Without ever stopping?"

Father J. A. Megan, C.S.B.
Religion, Botany, Zoology, Moderator of
St. Luke's Society.

Father A. J. Kelly, C.S.B.
Religion, Latin and Greek, Director of the
Mission Society.

Father W. H. Marshall, C.S.B.
Religion, Mathematics, Moderator of the
Sodality, Athletics.

Latin.

Mr. P. Markle
Geometry and General Science.

Mr. R. Schoeffel
French and German.

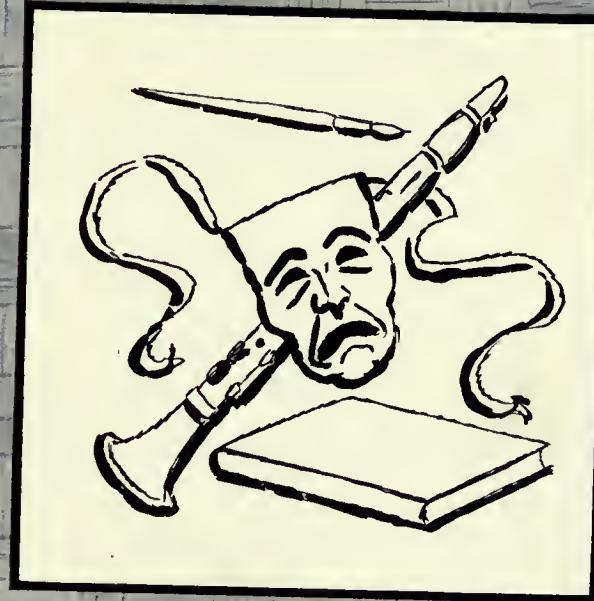

Mr. J. Hugo
French and German.

Mr. P. Legge
English and General Science.

Activities

STUDENT COUNCIL 1958

Left to Right: Terry Miller (Grad. Representative), Bruce Keenan (Treasurer), William Britton (President), Joseph Walsh (Secretary), Patrick Fremeau (Vice-President).

The Students' Administrative Council has endeavored this year to revive the importance around the school of the Class Representatives. With the support of the student body, the project met with a good measure of success. The Council has attempted to work closer with the various school activities, and to help them in their undertakings. A considerable sum of money was raised to pay for the beautiful new wall curtains that are used on special occasions in the gymnasium. A sizeable contribution was made to the revived Dramatic Club, which is now known under the title "The Little Theatre of Saint Michael." The Double Blue Ball, organized and sponsored by the Student Council, had as its theme an oriental motif. How this was carried out may be seen later in the book under the title, "The Story of the Double Blue Ball".

The All-Ontario Catholic Basketball Tournament was held at Saint Michael's. The Student Council in cooperation with the Senior Basketball Team sponsored this spectacular.

The Home Room Representatives outdid themselves in handling various projects which included the Canadian Register Drive for subscriptions, Pep Rallies, and in encouraging true school spirit within their own Home Rooms. The Sock Hops were bigger and better than ever. Beautiful shrines to Our Lady of the Rosary were set up, and the Rosary was recited at these school dances.

Much of the success achieved by the Student Council this year is due to the Moderators, Father J. Penny, C.S.B., and Father J. Crowley, C.S.B. The long hours spent advising and assisting the Council on its many projects caused, at least in part, the prolonged illnesses which hospitalized them during the winter months. To them we say sincerely, "Thank you".

The Student Council is only as successful as the student body makes it. The cooperation of many individuals and the support given by all to student activities helped to make this year a tremendous success.

Father J. Crowley, C.S.B.

Father J. Penny, C.S.B.

STUDENT COUNCIL REPRESENTATIVES

STANDING: Terry Dolan, Doug Von Zubon, Al Liscombe, Rene LeBlanc, Terry Hemming, David Brutton, Peter Scanga. SITTING: Robert Barringer, Tom Long, Don Kasta, Lionel Lomberg, Richard Dare, Jim Sweeney, Ross Wagner.

"Old Boys" Marc Reaume, Frank Mahovlich and Dick are welcomed "home" after three, one and two years away from their "Alma Mater".

Our guests on the stage with the Students Council and members of the Buzzer Hockey Club of Saint Michael's.

Pat Fremeau, Vice-President of the Students Council gives a rousing Pep talk to the student body.

THE MISSIONS

"To enlighten those who sit in darkness"—

This is our motto here at Saint Michael's.

This year, the purpose of our Mission Society was to make every boy at Saint Michael's conscious of his part in the Mystical Body of Christ. Through his sacrifices, he was to help propagate Christ among the less fortunate people of the world, and by doing so, to bring Christ into his own life.

The zeal and spirit of self-sacrifice of all those connected with the Missions, whether it was the Mission Council, who spent long hours in controlling and planning the interests of the Society; the Mission Representatives, who kept the Missions going by their daily perseverance; the Mission Money Rollers, who gave so freely of their time to participate in this important auxiliary work, or the Mission Artists, who kept the Missions before the eyes of the student body at all times, were responsible for a very successful Mission Year.

May God, through the intercession of His Blessed Mother, bless our teachers for their inspiration and co-operation. May He shower His special blessings on all those who have been so generous to the Missions this year.

Father P. Gorman, C.S.B.
Faculty Moderator

THE DEBATING CLUB

What is the Debating Club? Our club is an organization which gives students an opportunity to learn to speak in public and to prepare themselves for the years ahead. Under the leadership of Father P. Gorman, our moderator, the debating club has been an active force in the school and community.

At the end of last year, a new executive was elected for the year 1957-58. Mike Pare was elected president; Ed Bridge, Vice-President; Dave Broadhurst, Treasurer; Jim Smith, Secretary; Peter Maurer, Executive Secretary.

The first debates of the year were held against The University of Toronto Schools. Dave Broadhurst, Bill Swirsky, Mike Pare, Peter Maurer, Ed Bridge, Don Horan, Jim Smith and John Trachuk did their best, but it was not good enough. U.T.S. won three of the four debates. Later on, however, Saint Michael's regained some of its prestige by winning two debates and losing none in competition against Upper Canada College. In each contest the topic was "Resolved that all nuclear tests should be banned."

Towards the middle of November, four senior debaters journeyed to Cleveland, Ohio. There they participated in a tournament sponsored by Saint Ignatius High School. Twenty schools from Cleveland and the neighbouring districts were represented. Saint Michael's took eighth place in this tournament. In the Junior Division Saint Michael's was represented by Pete Speyers, Kevin Burkett, Norm Thomas and Jack McKay. This quartette placed third in their division.

Then came the Fourth Annual International Speech Festival held at Saint Michael's College in the University of Toronto on February 14th and 15th. In debating Saint Michael's won five and lost one to take second place out of fourteen competitors. In the all-round standing for the Hon. Paul Martin Trophy, our team stood third behind Mount Carmel High School of Chicago and Saint Mary's College of Brockville, Ontario.

A regular feature of the Debating Club's activities is the Sunday night meeting. These meetings include debates, discussions on various topics of the times, movies, and, on occasions, special guest speakers.

All in all, the Debating Club has had a good year. We must remember, however, that success doesn't always mean the winning of debates and tournaments, but how well the members gain training and facility in speech.

JUNIOR DEBATING CLUB

STANDING: Michael Muithall, Paul Carson, James Caley, Eric Walker, Michael Doyle, Gary Pitkin, Charles Turton, Paul Graham, Michael Hubbard, Pete Speyer SITTING: John McKay, John Disney, Mr. L. Sands, C.S.B. (Moderator); Norman Thomas, Richard Belliveau.

Frank Sweet, R.I.P.

In Memoriam

On January 2, 1958 Frank Sweet of Grade Eleven Two died suddenly. He had come to Saint Michael's in September, 1955. Last year he had a serious operation in which a new aorta had been inserted below his heart. However, he seemed to recover from this experience perfectly. During the past Fall term, it appeared as if he were back to normal.

Of a quiet, cheerful disposition, Frank was popular with everyone — pupils and teachers alike. His scholastic record was an enviable one; last year he finished with an average of 79 per cent, and this despite his sickness. This year he had a 76 per cent average at the Christmas Examinations. Most important of all, Frank was always careful about his religious life — a frequent communicant, he received the last rites of the Church as he died. May he rest in peace!

Not a stag line . . . it's The Stroll.

Manual Arts

A display of lamps and woodcarvings done by members of the Manual Arts Classes.

Richard Swider and Joseph Leone at the Band Saw.

Every man is an artist in some way or other. Today we think of an artist merely as one who paints pictures or writes symphonies. No so. An artist is one who uses his mind to direct his hands to make things. God was an artist. He made the world out of nothing; He also made man to be in some way like Him, to be His Image. So He wanted man to be an artist too; to share in His work of creation by tilling and building. To show us how important He considered this work of making, He chose a carpenter to be the foster-father of His Son. Christ also, surely, learned to work with His hands — St. Joseph taught Him. So today we must teach our sons to be creative in like manner. The boy who is busy with his mind directing his hands will be a happy boy, a well-adjusted boy, a virtuous boy.

Anthony Doyle makes a belt for himself in the Leather Department of the Shop.

The Band under the direction of Joni Guerriere at Saint Michael's Cathedral.

"The Last Post" in front of the Cenotaph at the City Hall on Remembrance Day.

St. Michael's Band stands by to salute the Cardinal and his party at the Canadian National Exhibition Grand Stand on Rosary Sunday.

Sousaphones and trombones as seen through the eye of the camera during the Christmas Concert.

The Saxophone section of the Band interpreting the "World's Finest".

The Tower

Joseph Sorbara, Editor, poses in the Tower Office with covers of past yearbooks.

A Yearbook is more than just a collection of photographs and reading material recording the people and happenings of 1957-58 at Saint Michael's. In later years it grows into a symbol of what was once enjoyed and loved, and is treasured for the memories it holds. That is why the staff has attempted to present a book different in both spirit and format; then, when we look at it in five, ten, or twenty years, we will be able to say, "This was the year 1958, and it was a good year."

Working on a yearbook is something like fighting a war. You battle time and a seemingly hopeless lack of ideas that haven't been done before. Facing a deadline is contemplating desertion under fire. But when the last picture has been taken, the last copy written, the last lay out planned, and you look back and see the fun you really had, it all seems worth it.

With sincere pride we present this year's TOWER, hopeful that it will be a distinct credit to our school and faculty — enjoyable to its reader, beneficial to its loyal advertisers and, very important, a lasting memory to our many friendships cultivated here on Clover Hill at Saint Michael's College School.

Bruce Keenan, Business Manager, works on his books and contracts in the office.

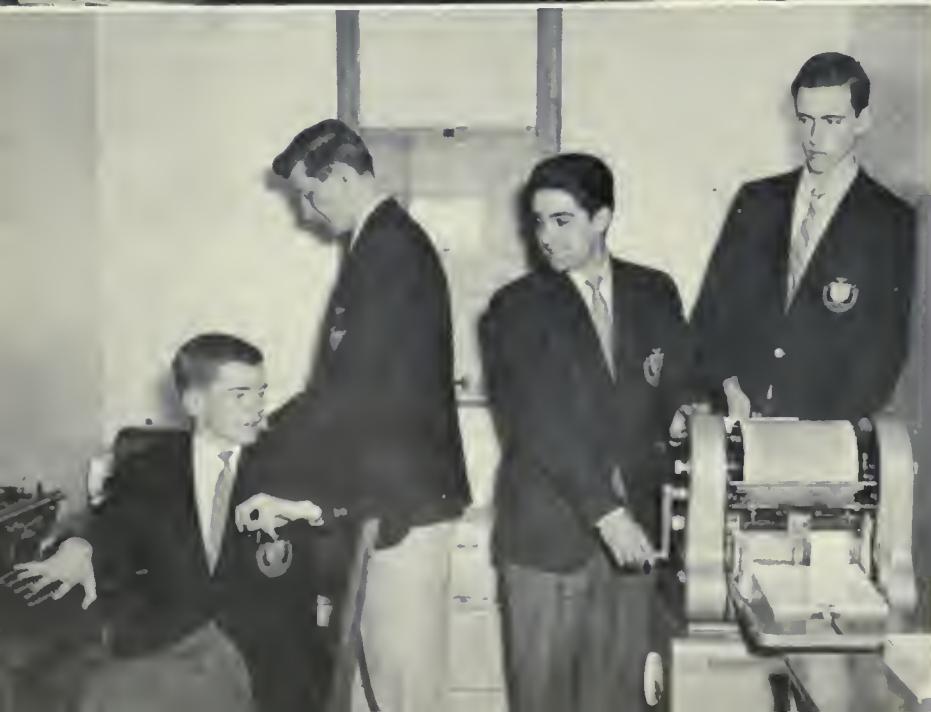

Father M. F. Whelan, C.S.B.
Director of Publications

Mr. John Maiola, the official photographer at Saint Michael's. The photography for this book was done by Mr. Maiola, and to him we take our hats off for a job well done.

The Double Blue

Michael Pare; Larry Stokes, the Sports Editor; Father P. Mosteller, C.S.B., Faculty Moderator and Edward Bridge, Editor meet to draw up plans for the second edition of the Double Blue for 1958.

Robert Birgeneau, Bud Ryan, Joseph Tanzolla and Gerry Beneteau cut up and paste down material for another issue of the school paper.

The DOUBLE BLUE is a Quarterly publication at Saint Michael's College School, and is the work of the students interested in journalism. It serves as a link between the various organizations and the student body. It is headed by the Editor, Ed Bridge, and under the direction of Father Mosteller. Covering every item of interest from religious affairs to athletic events, from social activities to educational programs, the paper is interesting to the point that students and friends look forward to each issue and cast reproachful glances at the staff if a few days late.

All articles are written by the DOUBLE BLUE Staff. Personalities are interviewed, sport figures profiled, and the various sports data are recorded. The DOUBLE BLUE is compiled, written up, stenciled, printed, bound and sold by the students themselves. It is a complete student effort. May the succeeding staffs of the DOUBLE BLUE receive the whole-hearted support of the student body. We sincerely hope that our publications served the faculty, students and friends with all the enthusiasm it has done in former years.

Michael Pare, Alvin Keith, John Adams and Steve LaCroix operate in the production room as the deadline for distribution approaches.

After Hours

AFTER HOURS

IN THE LIBRARY

Hans Braekevelt, bookbinder, hard at work in the Library workshop.

Father Williams checks out a book for Mike McGrath while Peter Wodsicki, Wally Bradley and David Zurawel look on.

Research, study, reading, musical appreciation, movies, debates and guest lecturers; dances, Martha Guild teas, parties and just pleasant conversation. It is difficult to believe that one room could encompass all these activities. But from early dawn till the midnight hour, the Library is a home away from home; a meeting place, a centre of culture and creativeness. Providing something for everyone, this is Our Library.

“The Martha Guild”

FRONT ROW: Mrs. F. B. Thickett, Treasurer; Rev. A. L. Williams, C.S.B., Spiritual Director; Mrs. D. M. Keegan, President; Mrs. J. J. Howorth, First Vice-President; Mrs. J. J. Wiley, Recording Secretary.

BACK ROW: Mrs. C. J. Servais, Corresponding Secretary; Mrs. J. Dewan, Corresponding Secretary; Mrs. J. Draper, Second Vice-President; Mrs. R. J. Dockery, Third Vice-President.

There is little doubt that there is any other group which has more love and dedication for Saint Michael's College School and its students than the Martha Guild. Year after year our Mothers sacrifice their time and talents in order that we students might enjoy to the full our school life in Christ.

Their material achievements impress us greatly. However, it is their own spiritual life and religious activities which truly have aided us in our growth in wisdom and knowledge before God and man. The role that they play in working hand in hand with our teachers to prepare us, not only for our role in this life but also in the City of God, is at once gratifying and inspirational. This organization is the invaluable link between the two mediums of our intellectual and spiritual development, the home and the school.

We appreciate sincerely the accomplishments and the interest of the Martha Guild. We pray that Our Divine Lord and His Blessed Mother will continue to bless and aid them in their work.

The Senior Kerry Blues

BACK ROW: Paul Dignan, Hugh O'Neill, Larry Chiovitti, Denny Bell, Gus Boem, Bob Burns, Paul LeMay, Paul Teskey, Tony Frechette, Wally Medwidsky, Jack O'Connor, Ossie Doyle. FRONT ROW: Our Mascot, George Kneider, Gene Rebellato, Pat Baldwin, Mr. C. Cerre, Terry O'Malley, Fr. B. Higgins, Pat Adair, Jim Bruce, Jack Pineau, Bill Brennison.

The 1957 season was one of mediocre success as far as the schedule goes, but most successful as far as the experience gained by our young squad. The KERRY BLUES won two, lost three, and tied three in an exciting season of football.

The opening kick-off was on the turf at Kennedy Stadium in Windsor, Ontario, against our traditional rivals—Assumption High School. The "Power House" of Western Ontario toppled the Irish by a narrow margin. At the final whistle the scoreboard read A.C. 13—S.M.C.S. 6. In the final quarter Terry O'Malley romped for the only score for St. Michael's after he gathered in an A.C. fumble on the purple 25 yard line. Time ran out for the Double Blue with possession on the Assumption 11 yard line.

The first of three tie games was played at Hamilton against Cathedral High of that city. O'Malley and Adair played well and scored for the Irish, the latter going 65 yards for his T.D.

The initial victory of the campaign was chalked up on our own field—a Home-Coming victory against St. Charles College of Sudbury. Sonoski, Baldwin and O'Malley scored the majors to register a 20-0 triumph.

Upper Canada College kicked a long single in the final quarter to edge the Kerry Blues by the narrowest of margins in a hard-fought struggle on the U.C.C. grid. The defensive units of both clubs were outstanding.

Rebellato hits hard against St. Pat's Ottawa.

Baldwin holds for Medwidsky.

Adair hauls one in against "Del."

O'Malley is off on one of his spectacular jaunts.

A completion for LeMay against St. Pat's.

Sonoski crossed several white lines on this run.

The second game on our own field was another defensive effort. Neither "Del" nor the Kerry Blues could score even a single point. The return game at the "Del" Bowl was the Big One for these two teams. Every boy played his heart out and it was an exciting one for the large crowd that packed the stands. Led by Palmer, who crossed the Irish goal line twice, the "Del" team scored a 21-12 victory.

Port Credit High School was leading 18-0 at the end of the third quarter. The Irish of St. Michael's came strong in the fourth quarter and Sonoski and Rebellato went over from the 12 and 17 yard stripes respectively. Another

major score seemed to be on the way, but the final whistle stopped the S.M.C.S. squad with possession on the opponents 20 yard line.

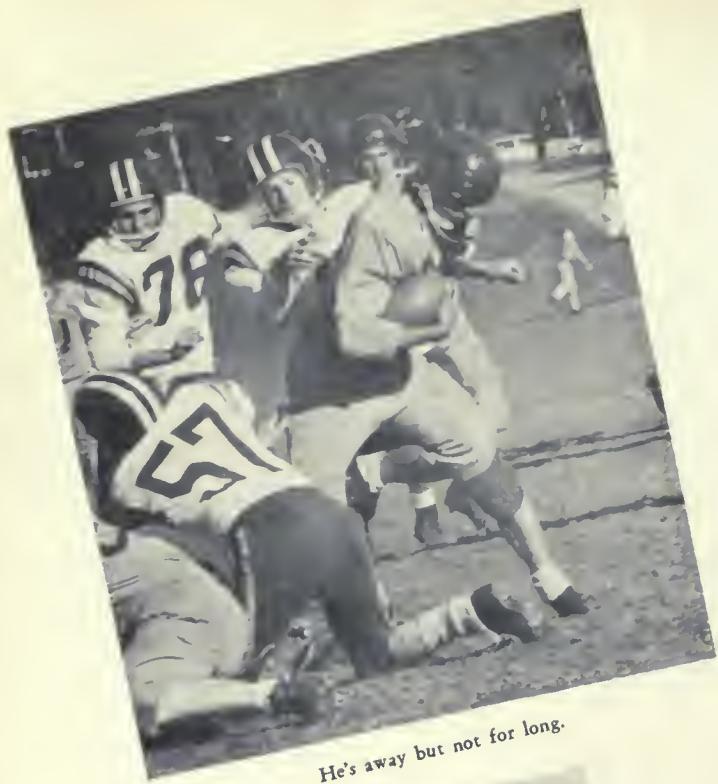

St. Patrick's College came from Ottawa to participate in the most thrilling game of the season. Losing 6-0 with just minutes to go, Baldwin faked beautifully to send Sonoski around left end for a 33 yard sweep to pay dirt. Behind great blocking from the forward wall, Pineau sent one straight and true through the uprights. The game ended a minute later in favour of the Kerry Blues. Final score was S.M.C.S. 7—St. Pat's 6.

THE DEFENSIVE TEAM

The Junior Kerry Blues

Completing a fair season of four wins and five losses the Junior Kerry Blues were able to gather some much needed experience in football fundamentals under the capable coaching of Father Glynn and Mr. Redmond.

Lawrence Park gridmen won the Toronto and District Championship, and they started their winning ways in our opening game of the season. In this exhibition tilt, the opposition won 8-0. Pierre Brunet and Joe Sorbara led a strong Irish defensive unit against the North Toronto powerhouse.

Weakened by the Asian Flu, the Little Irish lost its second exhibition game against Upper Canada College by a single touchdown. Roger Barton and Mike Brian played well in a losing cause.

The first game of the league schedule was played at home against a strong "Del" team. The Irish played well, but lost its third consecutive game 24-12.

S.M.C.S. entered the win column when Donat, Speyer and Schmidt scored T.D.'s to defeat Columbus Boys' Club by an 18-0 count.

Invictus A. C. was snowed under by a parade of Irish touchdowns made by Don Velanoff, Johnson, Barton and

Donat. This great offensive thrust ended in a 65-0 rout by St. Michael's.

The blue-clad gridmen continued to play excellent offensive football to score five converted touchdowns against Columbus Boys' Club. Long runs featured throughout as Velanoff and Blain went 65 and 75 yards respectively to scintillate in this encounter. Caldana, from his end position, led a strong defensive team to shut out the opposition.

Staging an impressive display of team spirit and cooperation, the Juniors rolled to a decisive victory over Invictus A.C. Tom McDonnell and Bob McKenna, at opposite end positions played brilliantly and both of these boys caught passes for major scores. 37-0 was the count for the Irish at the final whistle.

The sudden-death final was played at the "Del" Bowl. Glen MacPherson led the Del troops in smart fashion and killed the hopes of the Double Blue fans when, late in the fourth quarter, he scooted around his right end behind solid blocking to score standing up. Donat continued his outstanding play for the Irish and he scored a T.D. late in the third quarter to close the gap when Del was leading 8-0.

Don Velanoff

Don Schmidt

Arnie Brown

THE BANTAM ALL STARS

THIRD ROW: Ian MacDonald, Mike Duggan, Frank Wodzicki, Paddy Griffin, Jerry Wiley, Paul Henry, Norm Rosenitisch, Paul Puma, Ron Roberta. SECOND ROW: Mr. N. Kelly, Eric Walker, John Smith, Bill Jones, Mario Vendremini, Vic Caldone, Mike Mulhall, Dave Kelly, Bill Lunergan, Mr. G. Dillon. FIRST ROW: Roger Oulette, Neil Sweeney, Sam Deremigis, Brian Quinn, Gino DiCresce, Father H. Marshall, Jim Martin, Ken Sharpe, Dan Bailley, Vern McCreary, Tom Palanic.

The football season of 1957 was one of great success for the first Saint Michael's College School Bantam Football Team. A group of sturdy and rugged boys made up the first Bantam team to represent Saint Michael's. The team played a hard schedule and at the close of the season was undefeated. The first game of the Fall pastime was played against De La Salle in which two great defensive teams featured. Ken Sharpe kicked a single point late in the third period to put St. Michael's ahead never to lose this lead.

In the second encounter against the same team from Del the Red, White and Green clad boys drew first blood with a TD which they converted late in the first quarter. On the last play of the first half Roger Oulette fired a ten yard pass to Mike Duggan for six points. The attempt for the extra point was blocked. The only other points in the game were scored when Paddy Griffin plunged for a major and Tom Pulantic scooted the end for the extra point. Final score in this game was 13-7 for Saint Michael's.

Upper Canada College was the next victim of the "Little Irish." Paddy Griffin and Paul Puma crossed the last white line to knock off the opposition 12-6. In the second meeting with this same club, Pulantic, Puma and Oulette scored touchdowns to smother the opposition 19-6.

Our opponents for the final game of the season was against a strong but inexperienced team from the new Bishop Power High School. Saint Michael's scored first in this game when John Henry bulled his way over from the 11-yard line. Later in the first half Griffin repeated this effort, and the same boy romped 20 yards late in the game to finish the scoring. As the final seconds were ticking away, the young club from out Etobicoke way closed the gap when they scored a touchdown and final score was 19-6.

The 1957 Season was a great beginning for the Bantam All Stars.

Ken Sharpe comes in fast to make a long completion in game against "Del".

Norm Rosenitsch romps for 20 yards in thriller on home field.

Paddy Griffin is "off and away" for touchdown land in contest against U.C.C.

Bishop Power gridsters stop Palanic short of "pay dirt".

Hockey

The "checking line" of the Majors . . . Angotti, Marczak and Sonoski. They could score too. Remember the drubbing they gave Barrie? Final score 12 - 3.

After hugging the nethermost position in the league standings for the first part of the 1957-58 season, the Majors began to climb. It wasn't until after the Christmas Vacation had come and gone that the Irish began to move. A play-off position was the aim of the Manager, Coach and the players. The Irish surprised everyone when they made a tremendous spurt towards the end of the regular schedule and after smoke had cleared, the Double Blue was perched on the third rung of the ladder. A great showing for a young, inexperienced team.

The Buzzers, of the Junior "B" Series, played interesting and thrilling hockey throughout the regular season. This team, too, surprised its most ardent followers when it nosed out wonderful opposition to stand at the top of the League after the final game had been played.

The play-offs are now in progress and "hockey fever" is in the air. Whatever the outcome may be, it will be a season long to remember, for it was "Hockey at its very best!"

Winners and losers, congratulations, so well deserved!

It was a season in which future stars were born.

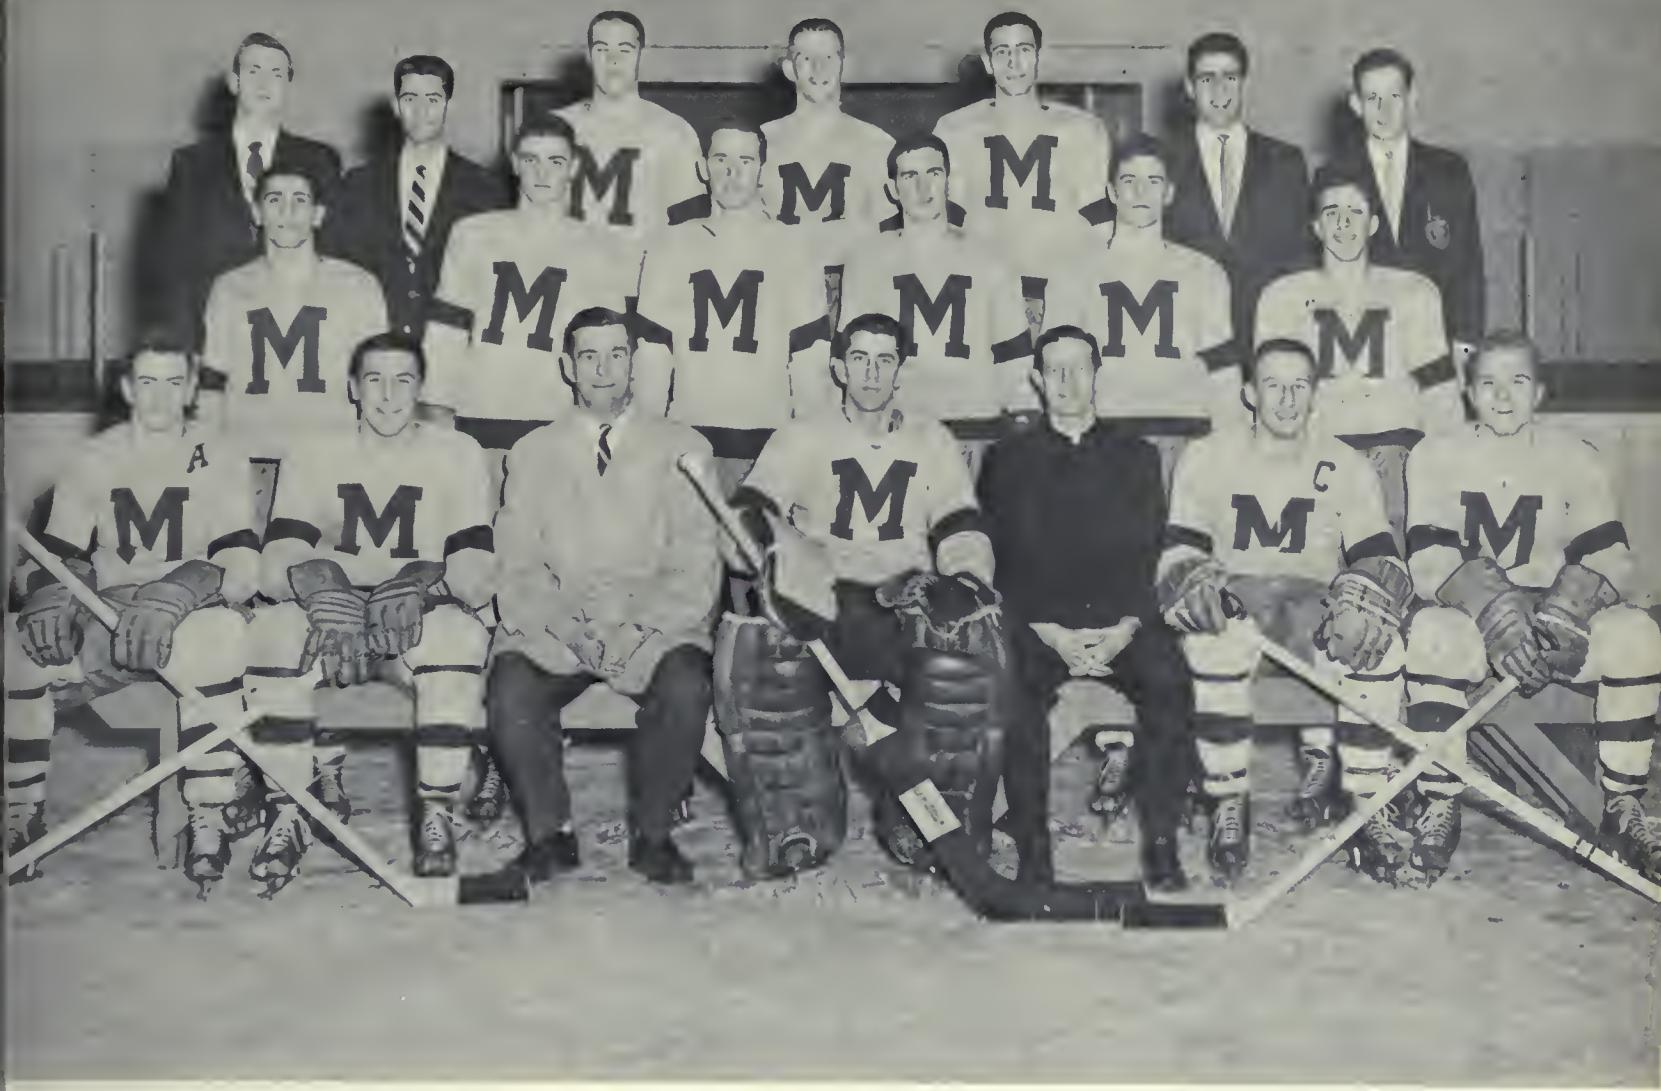

The Buzzers could score too, and none better than the Draper Twins, Bruce and Dave, along with Larry Keenan.

A high flying trio for the Majors that scored many goals during the regular season as well as in the play-offs . . . Costello, Keon and Kozak.

Olah, Rebellato and Turnbull made up another high scoring trio for Father Conway's Buzzers.

THIRD ROW: John Gouett (Stick Boy), George Newman (Equipment Manager), Mike Draper, Jim Sonoski, Tom Micallef, Jim Gregory (Trainer), Mike Dunnell (Statistician). SECOND ROW: Louis Angotti, Paul Jackson, Tim Hook, Jack Costello, Les Kozak, Gene Ubriaco. FIRST ROW: David Keon, Dick Mattiussi, Mr. Bob Goldham (Coach), Cesare Maniago, Father D. Bauer, C.S.B. (Manager); Bob McKnight, Henry Marczak.

minor midgets

During the pre-season exhibition games, Coach Father Glynn used every player available. In this way he gave every boy envious to wear the Double Blue an opportunity to show his worth. As a result the record was not promising as far as victories were concerned. However, after losing six contests and winning only one, a final selection of players was made. During the first half of the regular schedule the team won one, tied one and lost three. At this time the Minor Midgets found themselves and victories came thick and fast. During the second half of the schedule seven games were played and all were in the win column. Only two goals were scored against the Double Blue during this winning streak.

In the playoffs St. Michael's continued their winning ways. The best three out of five series with Upper Canada College was a thriller all the way. The first contest ended in a 1-1 tie. A 2-0 win, and a loss with the same score recorded, followed. Then the Irish won two exciting contests in a row. In the next series St. Michael's won two straight against St. Clements. The scores were 4-3 and 5-3. This is the situation as we go to press. Go, Irish, Go.

T.H.L. CHAMPIONS 1958

Pete Russell moves in close on the V.C.C. net.

BACK ROW: Mike Keefe, Jim Rooney, Ted Stackhouse, Charlie Connolly, Jerry Wiley, Nick Roche, Paul Henry. FRONT ROW: Victor Caldana, Barry Hayward, Father F. Black, C.S.B. (Coach), Ted Anderson, Murray Watts, Mike Mulhall.

bantams

After the weeding out process in the early part of the hockey season, an eager band of Bantams remained to do or die for the Double Blue of Saint Michael's. In the pre-season games the club had its ups and downs. However, as the season wore on the boys began to find themselves, and under the capable coaching of Father Black, they fought their way to their share of wins in the traditional Saint Michael's fashion. Henry, Caldana, Mulhall and Hayward came up with many fine efforts. Teddy Anderson was the goalie and his work between the pipes was superb. Although no championships were won by the Bantams, nevertheless they were worthy wearers of the Blue of Saint Michael's.

Classes

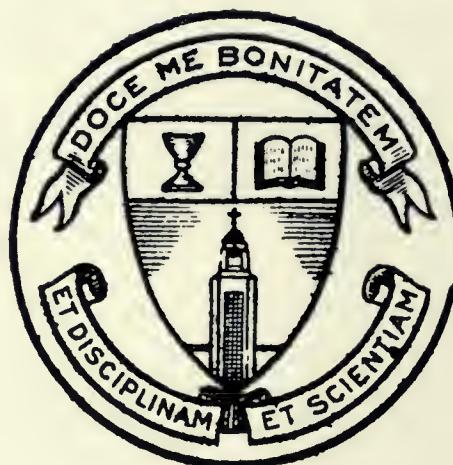

With the grace of God in our hearts to strengthen us, with Christ's examples ever-present to us in the Gospel, and with the encouragement and backing of our teachers and our Alma Mater, we, the Graduating Class of 1958, are prepared to fulfill our duty and willing to accept the challenge to be witnesses of God in this great country of ours.

May we always strive to spread around us what we have acquired through our Catholic education and which is so well summarized in these three words . . .

GOODNESS - DISCIPLINE - KNOWLEDGE

Grade

Thirteen

"Let it be loudly proclaimed and well understood and recognized by all, that Catholics, no matter what their nationality, in agitating for Catholic schools for their children, are not mixing in party politics, but are engaged in a religious enterprise demanded by conscience. They do not intend to separate their children either from the body of the nation or from its spirit, but to educate them in a perfect manner most conducive to the prosperity of the nation."—(Pope Pius XI)

"One more year to go!" This is our secret cry. One more year! We will be Seniors then, with special privileges. a prom, and all the other activities that go into making of the Senior year an outstanding one. This year, we have a chance to attend school dances, the Double Blue Ball which is sponsored by the Seniors. Our studies also keep us busier than ever before since each day our minds discover new secrets in Chemistry, and follow through complex equations in Algebra.

Indeed, this is a busy year for us, for the more we realize that the time to take the places of the Seniors is almost at hand, the more must we be serious about our work, the more we are thoughtful of our future.

Grade

Twelve

"Since, however, the younger generations must be trained in the arts and sciences for the advantage and prosperity of civil society, and since the family itself is unequal to this task, it was necessary to create that social institution, the school. But let it be borne in mind that this institution owes its existence to the initiative of the family and of the Church, long before it was undertaken by the State. Hence, considered in its historical origin, the school is by its very nature an institution subsidiary and complementary to the family and to the Church."

—(Pope Pius XI)

twelve four

Christmas of '57 marked the half-way mark for us. Gone are the uncertainties that beset us in our Freshman year. Now we are full-winged Eagles, eagerly soaring into the logical reasonings of Geometry, and into the baffling mysteries of Physics.

Grade Eleven is, indeed, a tough one. The following courses of our First and Second years broaden and deepen. The assignments are somewhat heavier than we expected; but we profit by this challenge to enrich our minds and to extend our capacities.

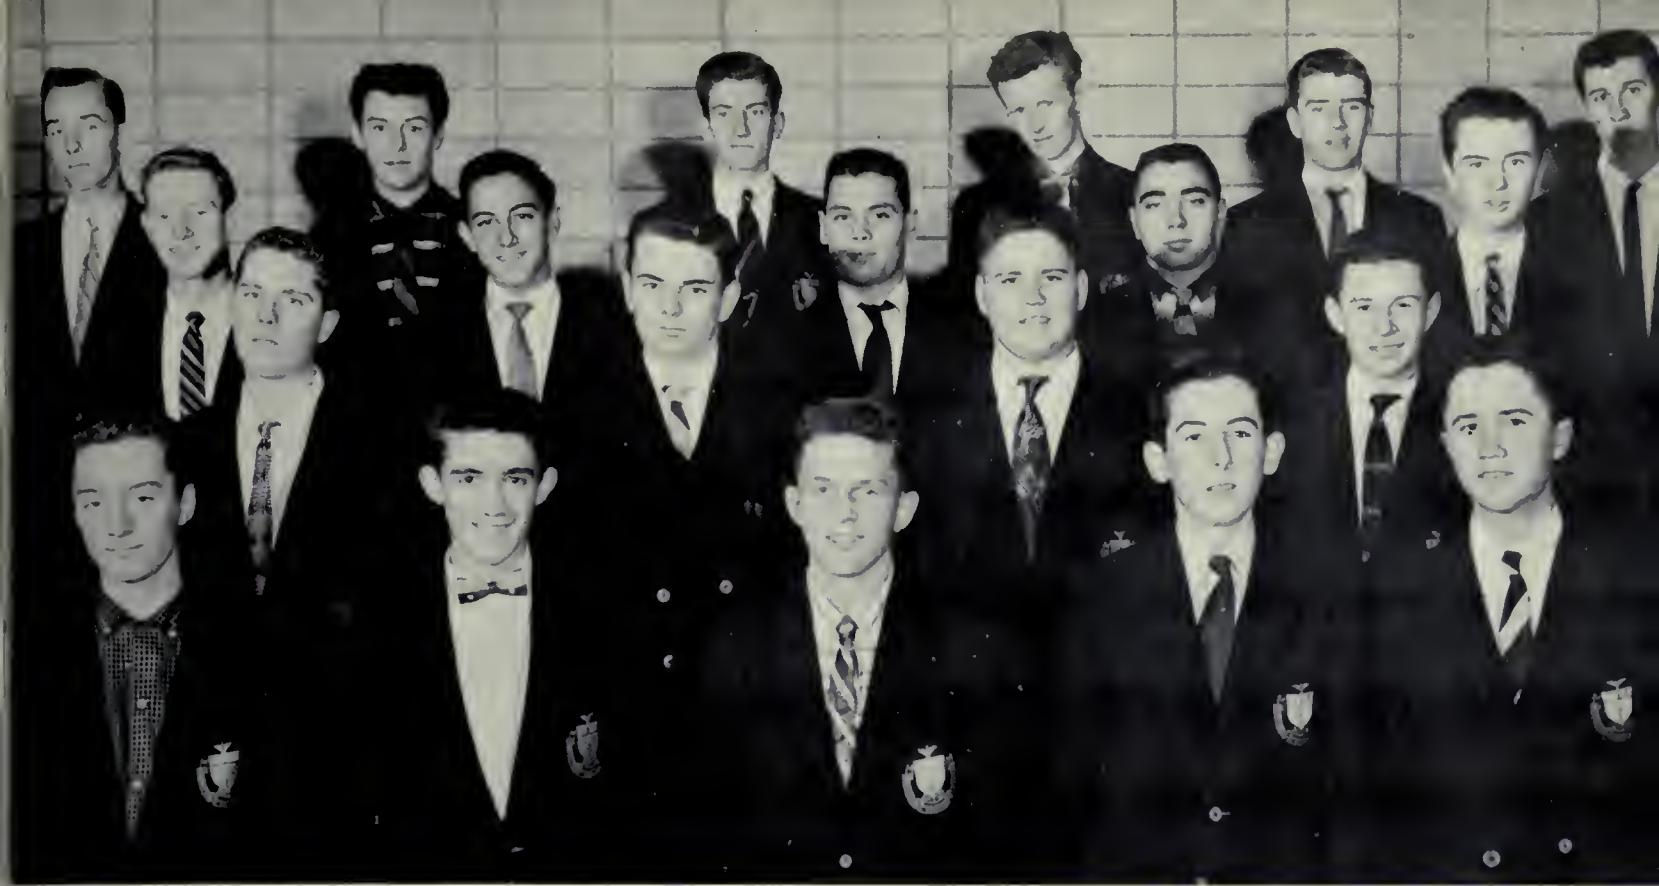

Grade

Eleven

"It is necessary not only that religious instruction be given to the young at certain fixed times, but also that every other subject taught be permeated with Christian piety. If this is wanting, if this sacred atmosphere does not pervade and warm the hearts of masters and scholars alike, little good can be expected from any kind of learning, and considerable harm will often be the consequence."

—(Pope Leo XIII)

eleven five

Our Freshman year is behind us, and this particular year places us on a new pathway in our journey towards a Catholic education. Most of us realize now the problems that will arise, but we know that the formulas of success are the same . . . "to study hard and to work earnestly."

Our parents want their sons to receive a solid Catholic education, and so they have placed us under the guidance of the Basilian Fathers of Saint Michael's College School.

Grade

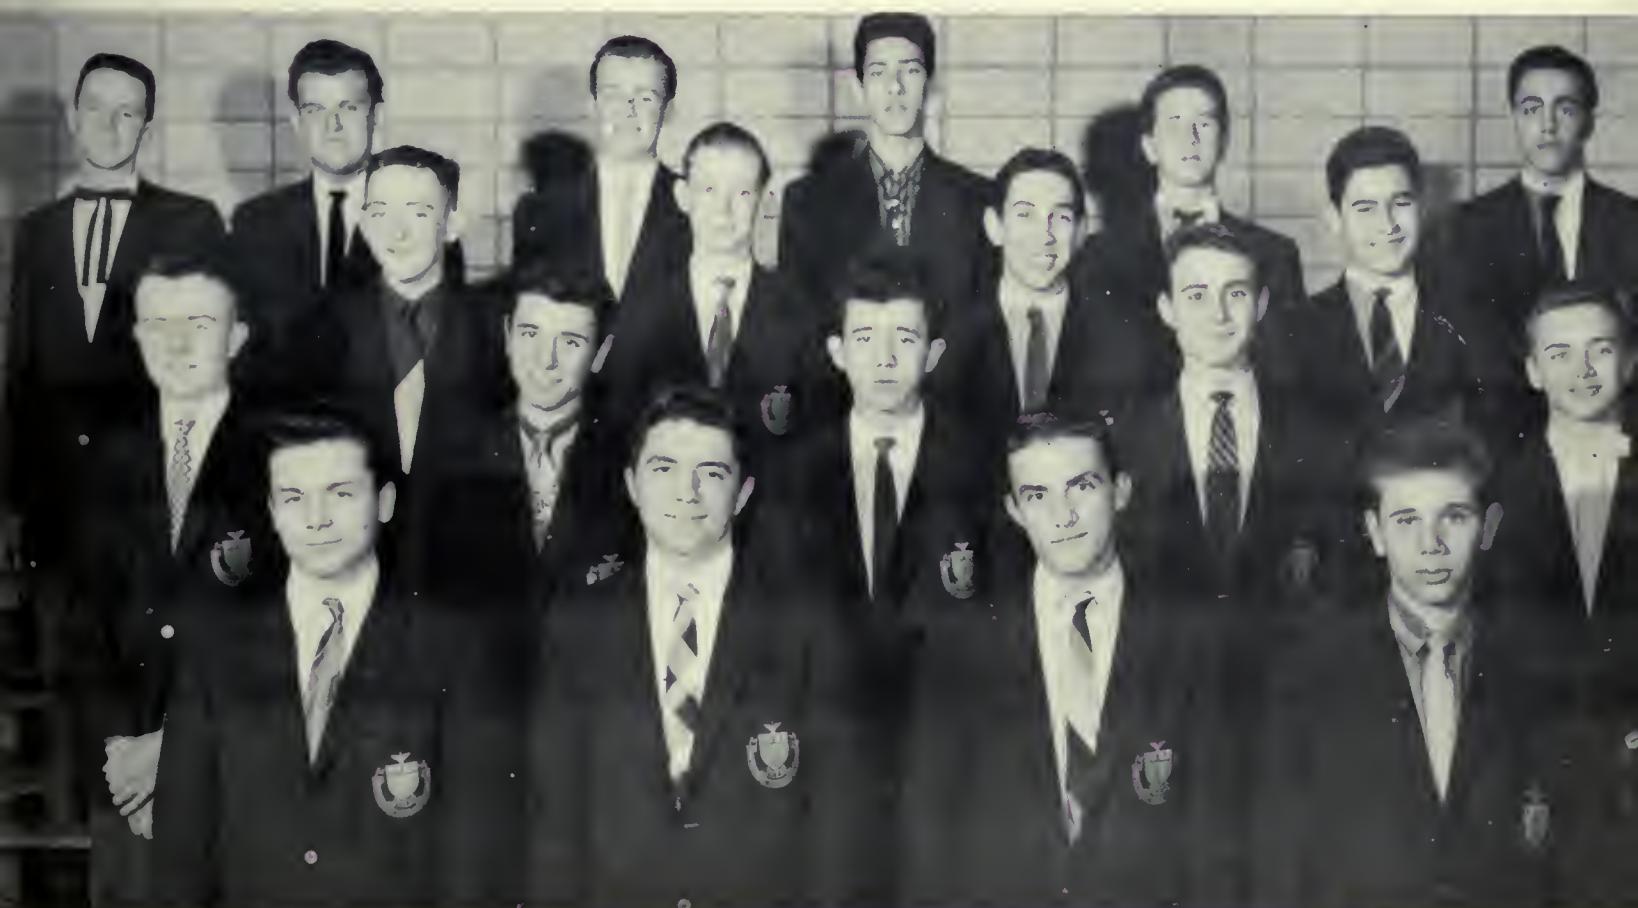

Jen

"This educational environment of the Church embraces the Sacraments — divinely efficacious means of grace; the sacred ritual — so wonderfully instructive; and the material fabric of her churches — whose liturgy and art have an immense educational value. But it also includes the great number and variety of schools, associations, and institutions of all kinds established for the training of youth in Christian piety, together with literature and the sciences, not omitting recreation and physical culture. And in this inexhaustible fecundity of educational works, how marvelous, how incomparable is the Church's maternal providence!" — (Pope Pius XI)

"Lowly Freshmen" is an expression that is often heard. Here on "Clover Hill" the Frosh are far from lowly. They are the bulwark of our institution. These are the boys who as men great things will be expected. Among them will be future priests, doctors, great chemists or physicists, who will revolutionize the face of the earth and outer space.

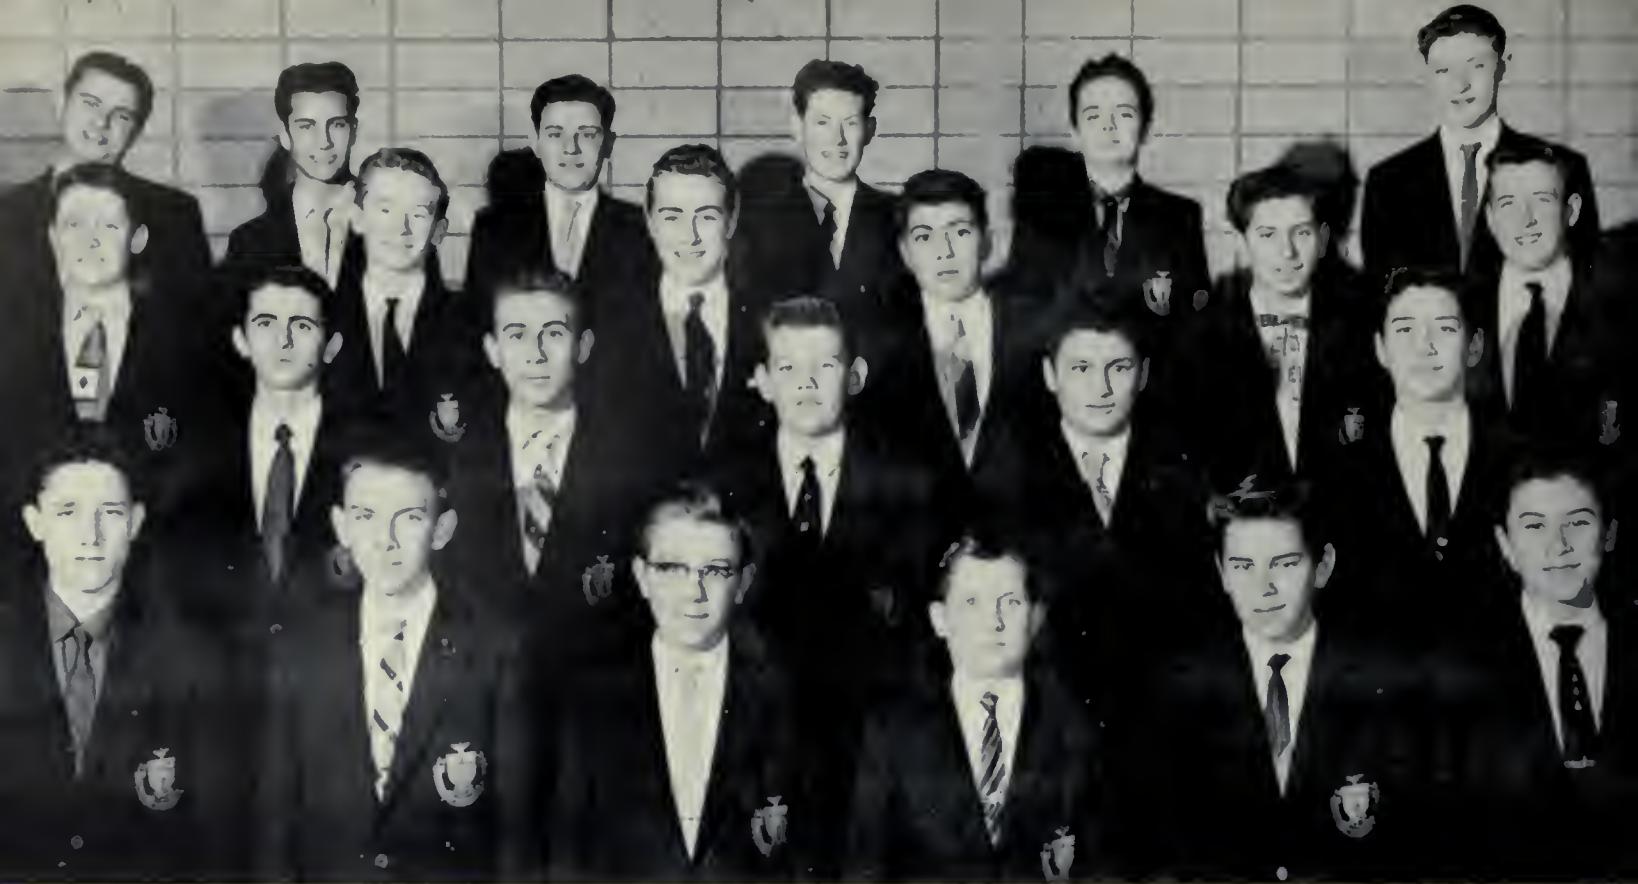

Their minds are fresh, ready to be filled with knowledge—knowledge with which to perform wonders and do good. Their characters are being molded into good, upright Catholic and civil leaders.

Grade

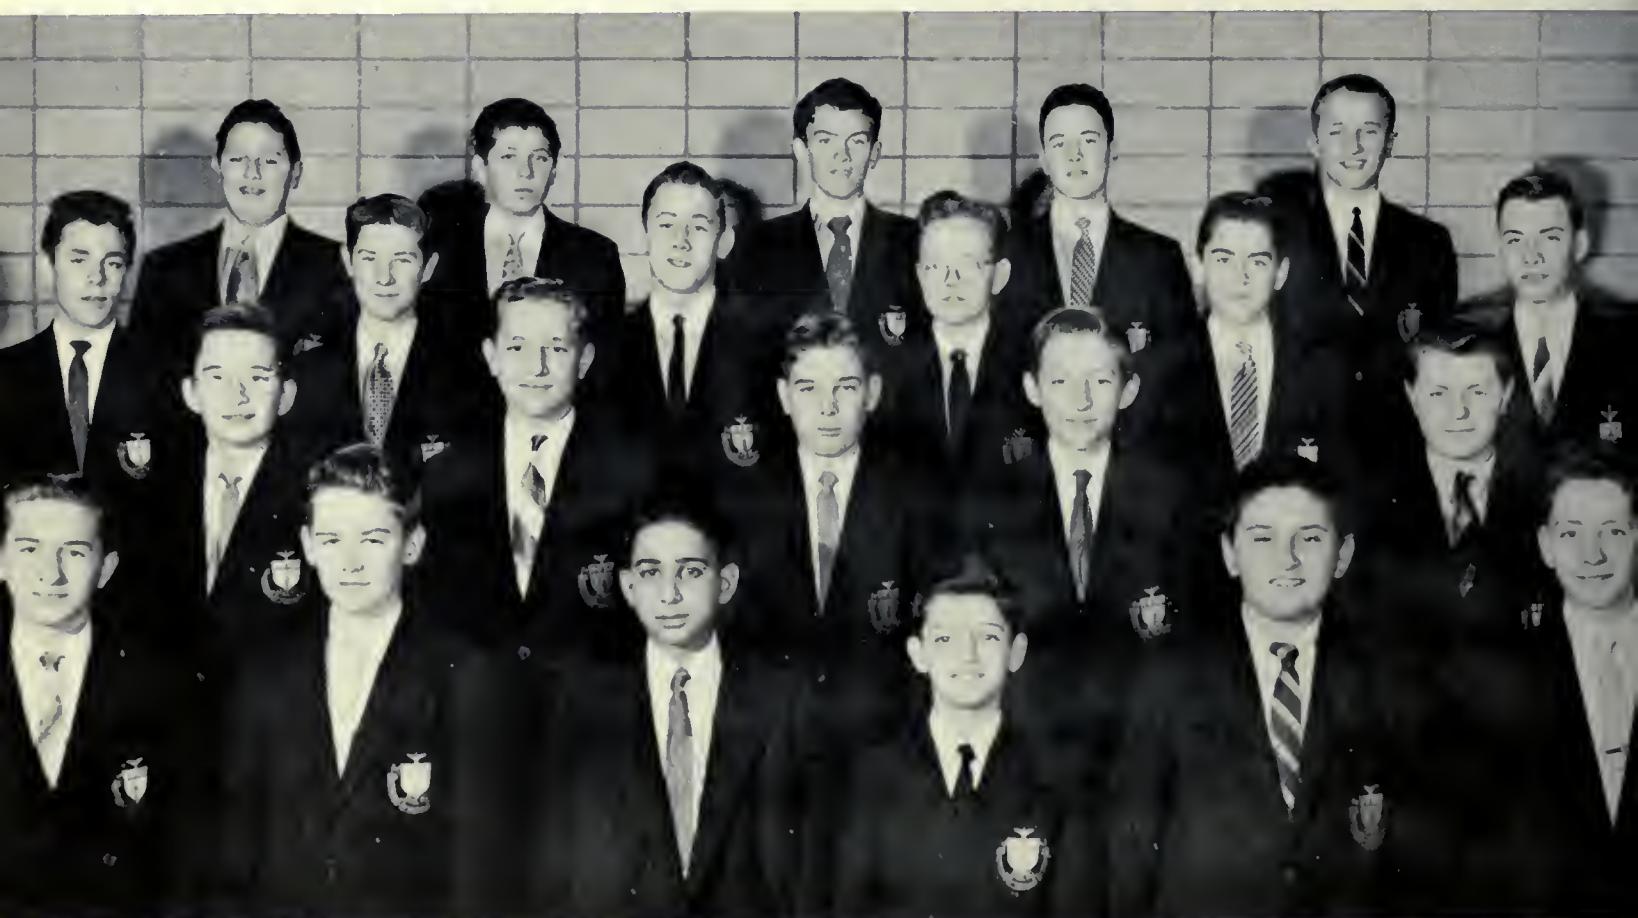

Nine

"The first natural and necessary element in this environment, as regards education, is the family; and this precisely because it is so ordained by the Creator Himself. Accordingly, that education, as a rule, will be more effective and lasting which is received in a well-ordered and well-disciplined Christian family; and more efficacious in proportion to the clear and constant good example set first by the parents, and then by the other members of the household."—(Pope Pius XI)

Bishop de Mazzenod
The Founder
(1782-1861)

The Oblate Cross
covers the world.

OBLATE MADONNA

OBLATES OF MARY IMMACULATE

Most Rev. Leo Deschatelets
Superior General

DID YOU KNOW THAT . . .

There are almost 3,000 professed Oblate Fathers and Brothers working for souls and the Church in Canada?

There are nearly 7,000 Oblate Missionaries throughout the world?

The Missionary Oblates of Mary Immaculate are established in 28 countries and on all six continents?

The Congregation has five of its members, including the Holy Founder, recommended for canonization?

There are 33 Oblate Archbishops and Bishops in the world today, and of these, 12 are in Canada?

There are 442 Oblate centres in our country spread over nine of the ten provinces and throughout the Yukon and Northwest Territories?

There are 14 Oblate Seminaries in Canada where hundreds of Canadian young men are preparing themselves for the missionary priesthood?

There are 5 Oblate training centres in Canada for many generous young men who are being trained as Brothers-Coadjutors?

The Oblates of Mary Immaculate have the largest missionary field in the world . . . and the most difficult . . . the entire Arctic area?

Each year more and more Canadian High School Graduates are giving themselves to this missionary community of men?

There is a place for every talent and personality?

An unlimited supply of vocations is needed?

We will never have too many priests and brothers?

There is a PLACE for YOU?

You should investigate and find out if you have the grace of such a vocation?

You should contact the Oblate Vocational Office if that life appeals to you?

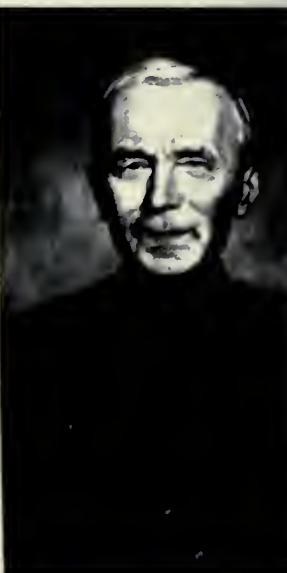

This can be done by writing a note to:

OBLATE HOUSE OF STUDIES
(Near Bishop Power High School)

"To evangelize the poor
He hath sent me."

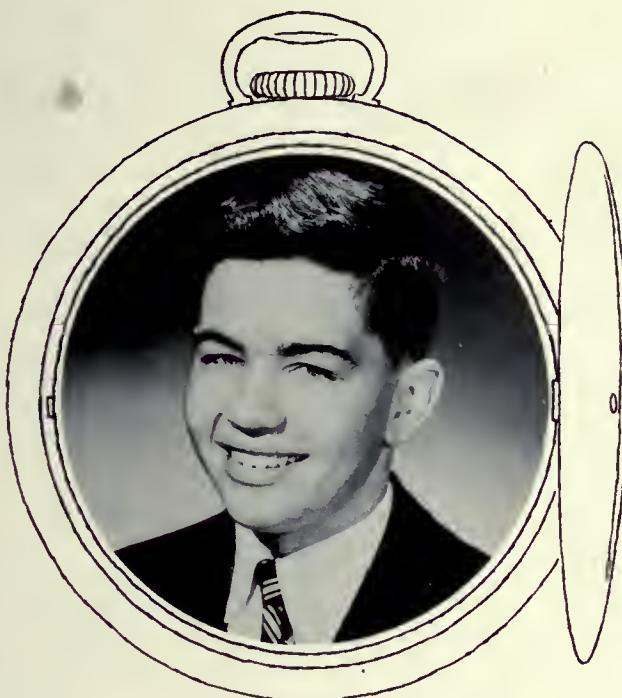

Brother Anthony
O.M.I. Brother-Coadjutor

IT'S

'Hi Time'

YOU KNEW...

**JOHN
McGOEY**

**... a young man important to you at St. Michael's
and to us at Eaton's**

John is your representative voice on Eaton's Junior Executive.

Here at Eaton's he meets regularly with his fellow "Reps" from Toronto and district schools and helps plot the courses for our 'Hi Crowd' sporting, social and fashion events.

And he keeps us a-tune with your latest fads and fancies.

Lifetime Savings Are Worth Conserving

In too many cases estates built up through long years of saving and careful investment are seriously reduced through the inexperience of executors. It is the particular business of Guaranty Trust Company to conserve estates and make them yield the maximum of assured income for the beneficiaries.

Thinking of the future?

If you're graduating this year, we invite you to consider an interesting business career with The Bell Telephone Company of Canada.

The Bell can help you select a career suited to your personal interests. This choice includes job training and company courses of instruction in many important fields which can help you to advance. You earn a good salary as well, and you help to maintain a public service essential to your community.

Why not drop in at The Bell in advance of your graduation to find out more about the opportunity for a career in this important service.

If you're going on to college we'll be pleased to tell you about opportunities in our Company for graduates in Arts, Commerce, Science and Engineering — men and women.

Engineers and scientists hold the key to our nation's growth

Wherever you go in Canada today you can see the work of the professional engineer—a constant adventure in progress. You can see it where the jets cleave the skies . . . where the courses of rivers are changed to harness power . . . where microwave towers provide long-distance television hook-ups . . . where express highways speed up traffic and the sky-lines of cities are rapidly altered . . . where giant pipe lines cross the mountains and plains. The engineer's vision, initiative and orderly thinking are vital to progress in this swift-moving technological age.

The future holds many engineering opportunities in Canada, where people are so electrically minded that the demand for power doubles every 10 years! Right now engineers are busy on products, projects and in industries that didn't even exist a few years ago, when many electrical developments, such as television, were practically unknown.

For 65 years, Canadian General Electric has engineered and manufactured much of the electrical equipment that has played such a vital role in making this country one of the most highly electrified in the world. Today the Company continues to expand its facilities, not only for present requirements, but also to meet the needs of the Canada of tomorrow.
